

Nos engagements sanitaires

Our commitment to health and safety

1. Application des recommandations des autorités sanitaires en matière de lutte contre le COVID-19
COVID-19 relating government health & safety recommendations are all followed and applied accordingly

2. Mise à disposition de solution hydro-alcoolique dans les espaces communs
Access to hand sanitizer is available in all common areas

3. Mise en place des distanciations sociales dans les espaces communs
Physical-distancing measures have been set up in all common areas

4. Renforcement du nettoyage et de la désinfection des parties communes et des hébergements en conformité avec les exigences et recommandations des autorités sanitaires
Common areas and accommodations are extensively cleaned and disinfected according to the requirements and guidelines of health authorities

5. Equipement du personnel en protections individuelles
Protection equipment and COVID-19 training has been given to all staff members

6. Adaptation du programme d'activités, des ouvertures des services et installations aux exigences sanitaires et aux décisions du gouvernement
Timetables opening hours for amenities, equipment and activities have been revised to meet the requirements and guidelines set by health authorities

7. Suivi et traçabilité de toutes les mesures mises en place
Follow-up and monitoring of guideline implementation has been set up
